

RBC Metabolomics and Proteomics Core Facility

Sample Request Form

Date:

Faculty PI:

Cost Center/WBS:

Department/Institution:

Phone:

Email:

Briefly describe the service or experiment you wish the Core to perform (e.g. global metabolomics/proteomics; targeted quantification; metabolite/protein ID):

Sample Information

Approximate number of samples:

Sample Source: Bacteria Yeast Plant Animal

Biological Hazard? Yes No Radioactive Isotopes? Yes No

Please email the completed form to redox@unl.edu. Core personnel will respond within 24 h.
